

We are a few days away from the biggest shopping event of the year!! With Black Friday taking place November 23rd, there isn't much time to figure out exactly where to go and find the best steals but luckily I came across two websites that provide all the Black Friday details you need to enjoy big savings.

The tea that I'm about to share is piping hot so make sure you read this blog before making any sudden purchasing moves, your pockets will thank you later.

So excited to see you save! To shop more colorful sweaters and outwear pieces, check out some of my favorite items below.

My #1 Favorite is Retailmenot.com because they make it so easy to navigate through the promotional codes and deals compared to many other sites. Their codes are also verified so you aren't wasting your time using promos that don't work. Personally I'm all about using technology for 99% of the things I do so I was thrilled that Retailmenot.com offers a phone app, making it easy to unlock deals on the go. They are partnered with 5,000 retailers from various industries including Hotels.com, Ulta, Sephora, Eloquii, etc. You'll also get a newsletter regarding upcoming deals and have the chance to save directly on their site

while making a purchase.

To shop more sequenced goodies just like this Eloquii Dress I wore, see the items below.

One of my newest favorite sites is [BestBlackFriday.com](https://www.bestblackfriday.com) where you can find live scanned Ad's, promotional codes, and store hours along with the time Black Friday hours begin for a particular retailer. They have a moderate size of apparel stores but a wide selection of electronic retailers. You can open their live Ads and as you hover over the item you like, there is an option to click on it and go directly to the site.

I look forward to hearing about all the deals you find and sending you lots of love and happy holiday wishes. Enjoy the savings but most importantly family and friends. Lastly, relish in the "Beans, greens, potatoes, tomatoes, chicken, turkeys, you name it!" ok, yes that was corny but its a classic goody lol ☺
